Atelier Intimo Flagship
by **O&O Studio Ltd**

Retail Store: Our world has been hit by unprecedented virus in 2020. Atelier Intimo first Flagship designed by O&O Studio is inspired by the concept of Rebirth of the Scorched Earth, implying the integration of healing power of nature that gives mankind new hope. While a dramatic space is crafted that allows visitors to spend moments imagining and fantasizing in such time and space, a series of art installations is also created to fully demonstrate the brand true characteristics. The Flagship is not an ordinary retail space, it is the performing stage of Atelier Intimo.
